### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.204 sets out the fee guidelines for division-specific services.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
  - CAC-P12 – Workers' compensation jurisdictional fee schedule adjustment.

- CAC-16 – Claim/service lacks information or has submission/billing error(s) which is needed for adjudication.
- 225 – The submitted documentation does not support the service being billed. We will re-evaluate this upon receipt of clarifying information.
- 892 – Denied in accordance with DWC rules and/or medical fee guideline including current CPT descriptions/instructions.
- CAC-193 – Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly.
- 891 – No additional payment after reconsideration.

### **Issues**

Are the insurance carrier's reasons for denial of payment supported?

### **Findings**

The insurance carrier denied disputed services with claim adjustment reason code 225 – "THE SUBMITTED DOCUMENTATION DOES NOT SUPPORT THE SERVICE BEING BILLED. WE WILL RE-EVALUATE THIS UPON RECEIPT OF CLARIFYING INFORMATION." Review of the submitted information finds that the requestor indicated that he was acting as a "Designated Doctor selected by the DWC," as noted on the Report of Medical Evaluation. Review of the submitting billing documentation finds that the requestor did not use the billing code modifiers associated with billing for a designated doctor examination in accordance with 28 Texas Administrative Code §134.204. For this reason, the insurance carrier's denial reason is supported. Additional reimbursement cannot be recommended.

### **Conclusion**

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

### ***ORDER***

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
